

Story Map

Use your Lego bricks to design a story map that tells an adventure inspired by How to Train Your Dragon or your own Viking legend.

Think about the key places in your story - maybe a longship sailing through stormy seas or a Viking village under threat.

Make up a Vikings and Dragons story to tell with your map and mini-figures.

What you need

- Baseboard
- Tiles in different colours
- Bricks and plates
- Small bricks – to add detail
- Mini-figures

Maths / Coding Challenge

Add a coordinate grid! Label the bottom and side of your base plate or paper with numbers (e.g. 1–10 across and A–J up). You could write a set of directions for someone else to follow across your island.
